## Forklift Operator/ Labourer

Well established and progressive industrial plant in New Westminister requires Forklift Operator/Labourers for their recycling facility.

We are looking for individuals that are strong, active, and possess a solid work ethic backed up by references. The duties include, but is not limited to, loading/unloading containers/trailers and to organize the yard and warehouse using the forklift, operating the Baler, sorting of plastic recyclables on conveyor belts and other general labour duties such as housekeeping. A valid forklift licence is an asset.

The ideal candidate will possess the following skills and attributes:

- Minimum 2 years of experience operating propane counter-balance forklifts
- Experience stacking all sorts of materials including bales, supersacs, boxes, pallets, etc.
- Working communication skills
- Positive attitude, courteous manner, personality and flexibility
- Consistently reliable and dependable.
- Able to work at a fast pace
- Steel Toed Work Boots
- Safety first work style

Compensation: \$14 – 16 per hour depending on skill level, full benefits package after 3 months

Shifts:

Day: 6:30am - 3pm Afternoon: 3pm - 11:30pm Graveyard: 11:00pm - 7:00am

Required experience:
