

Production Worker - Plastics Machine Operator, \$16.00/hour

Merlin Plastics – Delta, BC

Merlin Plastics Supply is the leading plastics recycler in Western Canada, and currently has openings for **Production Workers** for its **Annacis Island, BC** operations. This is a full time position.

Job Duties:

- Performs daily production activities on plastic extrusion lines.
- Ensure all lines are running without quality concerns at the beginning and through out your shift.
- Keep in contact, if need arises, with Leadhand Operator, and Supervisor when changes occur. (eg. colour changes, scrapping, etc.).
- Operator extrusion, downtime tracking and running sheets are completed.
- Help other operators when needed and if possible.
- Make all colour and gloss checks on time and scrap out of spec product when necessary.
- Make all quality checks as required. Finished products must match all quality standards assigned.
- Maintain maximum regrind use and line speed standards.
- Assist in line changeovers including die removal and replacement.
- Maintain housekeeping of your lines and workstation.
- Operate the forklift and perform general labour duties

What we offer:

- Full-Time and Long-Term Employment
- Group Benefits (such as Dental & Healthcare) and RRSP's after 3 months
- Employee personal and professional development (eg: Forklift training, Confined Space and Fall Protection, JLG Scissor Lift training) if the employee wishes
- Opportunities for advancement
- Personalized training
- Strong HR support
- Free parking space

- Company events on a regular basis
- Dynamic work environment
- Diverse culture: opportunity to learn from different backgrounds
- Bus stop is 3 minutes away
- Potential car pool, depending on situation

While we appreciate all expressed interest in joining our team, only candidates selected for interviews will be contacted.
