Millwright Apprentice (1st, 2nd, 3rd, or 4th year)

Merlin Plastics Supply (New Westminster) - New Westminster, BC

Full-time

Merlin Plastics is a processor of post-consumer and post-industrial plastics. We are looking for a Millwright Apprentice to assist our Millwrights to perform duties that include, but not limited to, preventive maintenance, breakdown maintenance, new installations and restorations. The ideal candidate would be someone who considers themselves quite mechanical, has a strong aptitude for puzzles, enjoys challenges and being hands-on.

What we offer:

- Full-Time and Long-Term Employment
- Group Benefits (such as Dental & Healthcare) and RRSP's after 3 months
- Employee personal and professional development (eg: Forklift training, Confined Space and Fall Protection, JLG Scissor Lift training) if the employee wishes
- Personalized training
- Strong HR support
- Free parking space
- Company events on a regular basis
- Dynamic work environment
- Diverse culture: opportunity to learn from different backgrounds
- Bus stop is 3 minutes away
- Potential car pool, depending on situation
